What is the tallest structure you can make out of newspapers that will hold up a basketball?
The 4th and 5th grades found out that there isn't necessarily one "black and white" solution to this problem.

An excellent example of cooperation as 3rd graders help the 1st and 2nd with their art project – making trees to be painted.

1st & 2nd grades sorting and counting money

and making a book to read

Welcome to the 2019-2020 school year!

We ask the Lord's blessing on everyone as we begin a new year at Howells Community Catholic School, working together to guide all students to develop spiritually, academically, and socially in a faith-filled community. We are looking forward to a great year!

Thank you to everyone who visited our school during the Open House on August 12. If you were unable to visit then, we invite you to give us a call; we'd be happy to show you around.

Prayer for a New School Year

Gracious God, as summer fades, new possibilities lie ahead of us.

Bless all teachers and those who support them in their efforts. May this school year be a time of grace and potential as they teach, share, and challenge others to grow in faith, knowledge, and wisdom.

Bless children, along with their parents, as they begin a new school year. May their minds be open to learning and to the wonder of discovery and insight.

Be with us all as we embark on this new year. Amen.

- ❖ If you will be unable to access the newsletters electronically, please let the office know at 402-986-1689 or email to cvogel@hccs.esu7.org.
